Ms Donna R. Searcy
Secretary
Federal Communications Commission
1919 M Street N.W.
Washington, DC 20554

Dear Ms. Searcy:

Please delay the effective date of the Commissions rate regulations. My reasons are many.

I own and operate 12 very small systems serving under 2,300 subscribers in 20 different franchise areas in Northern Wisconsin. The rules that the FCC layed out after passage of the Cable TV Consumer and Competition Act of 1992 are a nightmare for anyone to figure out. I do not have the knowledge nor do I have the money to hire accountants and attorneys to figure this out for my many different situations. I have major questions concerning the benchmark calculations and how they apply to my systems. I need more time to study the cost of service calculations and the requirements as they pertain to my situations.

I again ask the Commission for a stay on MM DOCKET 92-266.

Sincerely,

Bob Steichen (rec)
